THE UNITED METHODIST CHURCH

## Technology Outreach

Led by Zachary Schank (NP Class of 2016)

In partnership with Dearborn United Methodist Church  
and the Northern Platte County Area Chamber of Commerce

This program is currently offered to all high school students to volunteer some time on Friday and/or Saturdays to assist in filming, taking pictures, taking audio, and editing to create monthly spotlights for Chamber members and groups within the community to share on the Chamber's social media pages

- **Volunteer Opportunity for A+ hours!**
- **Assist in recording and editing videos**
- **Assist people and businesses within the communities of Dearborn, Edgerton, and Camden Point.**
- **Learn or build upon skills with video making or design.**
- **Possibility to explore different uses of technology as this program hopes to expand with time.**
